20a. How does the Committee accomplish its purpose?

The Committee reviewed the work of the Department of Homeland Security/Office of Personnel Management (DHS/OPM) Human Resource System esign Team and provide options to the Secretary of DHS and the Director of OPM for their consideration in establishing the new Human Resource Management System provided for in section 841 of the Homeland Security Act. In the fall of 2003, the Committee provided advice and options to the Secretary of DHS and Director of OPM on the Human Resource Management System for the new Department of Homeland Security. The Secretary and Director subsequently issued proposed regulations on February 20, 2004, which reflected their joint decisions based on the Committee input. The proposed regulations closed for public comment in March 2004. Final regulations are still pending.

20b. How does the Committee balance its membership?

The Committee is comprised of 20 members appointed by the Secretary of DHS in consultation with the Director of OPM. Three members are leaders of the major unions representing DHS employees: the National Treasury Employees Union (NTEU), American Federation of Government Employees (AFGE) and National Association of Agricultural Employees (NAAE). Five (5) members are individuals with particular expertise, knowledge and experience in human resources. The remaining members were selected from the senior leadership of DHS and OPM.

20c. How frequent and relevant are the Committee Meetings?

2 Total Meetings in July 2003 and Ocotber 2003

20d. Why can't the advice or information this committee provides be obtained elsewhere?

Establishment of this advisory committee is necessary to obtain the advice of individuals outside the federal government who have expertise and experience in human resources, including the major unions representing employees of DHS. As the Department develops a new Human Resources Management System within the federal government, the advice and input from non-federal sources, including labor unions, will be essential.

20e. Why is it necessary to close and/or partially closed committee meetings?

21. Remarks

The Committee should be terminated in FY 2005, as its work advising the Secretary DHS and the Director OPM on the options for a new human resource management system will have resulted in final regulations published in the Federal Register in FY 2005.

Designated Federal Officer

Melissa Allen Senior Human Resource Advisor, Department of Homeland Security
